

SENATOR CARSTEN: Senator Landis with the committee amendments.

SENATOR LANDIS: Thank you. Mr. Speaker, members of the Legislature, LB 765 is an authorization bill allowing the Department of Economic Development to sell property within its jurisdiction. Originally, it covered a rather broad range of properties with very little oversight. The committee decided to accept an amendment that said that the Department of Economic Development could sell only the Wild West Arena in Lincoln County, Nebraska. They have until July 1, 1991 to do so, and if they choose to do so, it needs the written approval of the Governor to sell the land. The amendment includes the legal description of the property to be sold.

SENATOR CARSTEN: Senator...no, that is all. There are no other lights on. All those in favor of the committee amendments will vote aye, those opposed will vote no. Have you all voted? Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays on adoption of the committee amendments, Mr. President.

PRESIDENT: The committee amendments are adopted. Senator Landis, are you going to take the bill?

SENATOR LANDIS: I will move for the advancement of the bill. It arises out of the desires, I understand, for the Department of Economic Development to get out of the business of owning this property and negotiations are going forward I think with some local interests. And for that reason the bill is timely and I would move for its advancement.

SENATOR CARSTEN: All those in favor of advancing LB 765 as amended will vote aye, those opposed will vote no. Record, Mr. Clerk.

CLERK: 26 ayes, 0 nays on the motion to advance the bill, Mr. President.

SENATOR CARSTEN: The bill is advanced as amended. The next bill is 812.
